What are the rumors surrounding the new windmill, how is it constructed, and what happens during a meeting in the yard? After Mr. Whymper visits, the animals decide not to rebuild the windmill, instead choosing to hire human workers for the job. They also opt to work through winter and make the structure twice as thick. Meanwhile, those who confessed to being in league with Snowball are forced off the farm or face severe punishment. The song "Beasts of England" falls out of favor among the animals despite the pigs' efforts to keep it alive. In contrast, humans begin singing it as a symbol of support for animal rights. Boxer is hesitant to kill the dog that attacks him due to fear of what will happen if he disobeys Napoleon. Following further confessions by four pigs and other animals, they are isolated from the rest or expelled from the farm. This marks the first instance where animals have turned against one another on their own land. It's worse than when Jones controlled the farm because it involves internal conflict within the animal community. The 6th commandment undergoes significant changes, initially stating that murder is forbidden, then later allowing it without cause, and finally declaring that only Napoleon can decide if an animal may kill another. Frederick deceives Napoleon by leading a rebellion or stealing timber at night. Key themes of Animal Farm include how power corrupts, especially when absolute, and the abuse of authority within the pig community. Squealer is able to manipulate public opinion through his creative storytelling, making animals doubt their memories or change their views on various matters. Chapter 8: When Squealer announced "Comrade Napoleon is dying!" what was really happening? Napoleon was already dead, or he had been wounded, or he was losing his mind. A step up in knowledge begins with a ladder and some paint. The rule against drinking has been updated to say 'to excess'.
